

THE FAMILYLIFE APP GETTING STARTED

What can you do?

Listen to the 30 Most Recent broadcasts from FamilyLife Today.

Grow closer to your spouse by taking the Oneness Prayer Challenge together.

Connect with other FamilyLife Today radio listeners around the country.

Find out more about premium FamilyLife resources.

Installing the FamilyLife App:

1. Download the app:
 - [For iOS devices](#)
 - [For Android devices](#)
2. Open the app and create your account:
 - Tap "No account? Get started"
 - Enter your name, choose a user name and password, and then tap "Create Account."
3. If you were invited to use the app by your spouse or a friend, enter the invite code they gave you. If you don't have an invite code, simply tap "proceed without invite code."
4. You're in!
5. Explore the broadcasts while on the go throughout your day, and checkout the Go Deeper content to get the most out of your app experience.
