**STEPPING UP**  
A CALL TO COURAGEOUS MANHOOD

# ALL MEN FACE DECISIONS THAT DEMAND COURAGE.

Big or little, these choices matter. One courageous choice leads to another; tomorrow's integrity depends on today's bravery.

## Biblically Centered, Authentic and Real

Stepping Up tackles head-on the call to godly, courageous manhood, offering a powerful vision for what it means to be a man who truly conquers and wins life's battles. In ways both candid and inspiring, Stepping Up beckons men in any field and any life stage with stirring conviction, practical insight, and moving accounts of bold heroes.

Dennis Rainey, Matt Chandler, Tony Dungy, Robert Lewis, Voddie Baucham, and over a dozen other men's leaders unpack what biblical manhood looks like and what it means to be a godly, courageous man in today's world.

Through engaging stories, expert teaching, humorous vignettes, interviews, and personal insights, these leaders share from their own experiences and call all men to become leaders in their own lives, marriages, churches, and communities.
